

We are very excited to invite you to participate in the CIT ADVANCE event.

CIT ADVANCE

CIT in conjunction with Apple, Dell EMC, Poppulo, and VMware are holding a conference for Female Tech students. This event will be an opportunity to interact with successful women in your field and get training from industry experts on how to prepare for and perform in interviews.

Schedule of Events

Friday 1st February 2019, Nimbus:

Lunch followed by

- Successful Female Tech Graduates Tell Their Stories and Invite Questions
- How to Prepare your CV (Gillian McGrath)
- Interviewing - Preparation and Techniques (VMWare)
- Build Your Personal Brand (Dell EMC)

Friday 8th February 2019, Nimbus:

Lunch followed by

- LinkedIn – How to Exploit it (Poppulo)
- Mock Interviews with Industry Experts (McKesson, Apple, Dell EMC, Poppulo, VMware)

Representatives from many organizations involved in providing, promoting, and supporting opportunities for women in technology will be present for the event to answer questions and provide advice.
